

Dance Location - the hotel

The dance location is the hotel Cala D'Or, located on the southeastern part of the island of Cala D'Or. The name's meaning is "golden bay" and it is famous for the rocky coast and its fjords. The place, Cala D'Or itself, offers nice alleyways with a variety of shops, cafés, restaurants and bars. Cala D'Or is also well known for Cala Llonga, the yacht harbour with an exclusive life style.

The hotel Cala D'Or is a modern furnished and friendly boutique hotel. Upon entering you feel very welcome and comfortable. Inviting colours and decorations, massages and corners for you to discover and have some time to yourself. This 2019 is the launch of this hotel as "adult only."

Furthermore, a fitness center, jacuzzi and a hamman bath are to the guests availability. Outside you may find a pool and several small sun bathing terraces. Enjoy some time off in the beauty area and treat yourself to a massage.

To enjoy a bit of urban life you don't have to walk far. In approx. 500m you will reach the busy center. Please be aware that after Easter time a lot of cafés, restaurants and bars are already open, but it is not to compare with the pulsating life of the high season.

Rooms are equipped with: phone, TV, free WiFi, a hair dryer, spacious bathroom, balcony, minibar and a small safe (with costs).
