Thierry Paré (30./31.10.2020)

Ballet Workout, Pop & Rock meets Ballet

Thierry Paré was born in Saint Quentin, France. He received his ballet training in Paris at the Académie de Danse Classique Solange Golovine and at the studio of Raymond Franchetti. He was under contract with Erich Walter and worked as a solo dancer at the Deutsche Oper am Rhein. Thierry later received an education as a physiotherapist and now runs his own practice in the city center of Munich.

He has led ballet and floor barre workshops at the Performing Arts Studios Munich since 2010. With its charm and spirit he turns every hard ballet workout into a student's favourite dance class, no matter of being a beginner, intermediate or advanced dancer, you will love it.

NOTE:

It is highly recommended to have some basic dance experience, a minimum of 6 months would be good. For absolute beginners the ballet basic workout is a good start to understand the body and its movement.
